What is CA?
Is it only a building at the end of
the street?
Is it only the rigors and the hardships
we've fared?
Is it only the pleasure of meeting our
friends?
Or is it the memories of the good
times we've shared?

Donna, It's been nice knowing you this year. You are a good kid, and smart too. Have a good time this summer and I'll see ya

BLOCK C CLUB

Proficiency in athletics is rewarded at CA by the presentation of "Block C" letters to all qualifying varsity players. These varsity lettermen make up the Block C Club.

The club sponsors dances to continue financial aid to the various sports, and an annual Block C dinner is held to announce and present athletic awards.

CROSS COUNTRY

This year's competition in Cross Country was the toughest that C. A. has had to face in many seasons. After a good start, Coach Bowen's squad tailed-off at the end of the schedule. Returning lettermen Doug Wheat, Tom Kautz, George Walker, and Doug Rouse contributed much to the team's effort. The team should be strengthened by the return of Rouse, Walker, Jeff Bowen, and several promising underclassmen next year.

Despite a bad start, the 1968 Soccer Braves came on strong in the second half, winning two and tying two of their last five games, to obtain a regular season record of 2-6-2. Led by the fine work of Seniors Mike Welch, Todd Stowell, and Gary Brown, and Junior Don Lewis, this team played hard and aggressively to the end.

Representing the Finger Lakes in Class A competition in the Sectionals, CA had to face defending champion Pittsford and lost 7-0.

The fine tradition of past Canandaigua elevens was greatly exemplified by this year's Varsity. They went into every game with spirit, courage, and a will to succeed; qualities which were evident to the many spectators who were in attendance at the Varsity's games.

After a disappointing loss to Batavia in the opener, the braves came back in the fashion of the great team they were. Just a half game in the standings kept the braves from the championship, with but one point against Fairport being the deciding factor. C.A. really proved its caliber by edging the champion Newark Reds in the final.

Such a fine team was not without its individual standouts. All-Conference rosters found Len Joy and Keith Apple each winning first team offense and defense honors. Rich Farnham and Dick Buck found places on the second team while Denny Clement, Dan Coots, and junior Rick Holton gained honorable mention.

Bolstering next years hopes are hard hitting running backs Curtin and Rother in addition to quarterback Holton.

The C.A. Junior Football Braves started strong, and although being stung in the middle of the schedule, rounded out the season with two well deserved victories.

Again under the guidance of Coach Pierce the J.V.'S should be ready to step right into the varsity shoes left by this years seniors.

FROSH

The Freshmen found the going tough this season but as is frequently the case their 1-4-1 record is deceiving. The hustle and determination shown by the Frosh proves otherwise. With the experience gained under Coach Ross Nelson, look for C.A.'s "little braves" to grow "big" in the eyes of the CWC in the years to come.

The Canandaigua Academy varsity grapplers completed their rugged schedule with a 7-0-1 league record and emerged as Co-champion of the Wayne-Finger Lakes league with Mynderse. CA wrestled to an 18-18 tie with Mynderse during the regular season and were still tied after the Wayne-Finger Lakes Quarter finals. Finally in the Section V finals, CA showed its superiority by finishing second to Rush-Henrietta by only three points. Jerry Case and Don Jones won Section V championships. Don Langdon set a wrestling Braves' record with a career total of 58 victories while Gary Gustin finished his career with 54 wins.

J. V. WRESTLING

The 1968-69 CA Junior Varsity matmen gave cause for optimism for the 1969-70 varsity as they compiled an 11-2-0 record under the direction of Coach Dan Moore. Canandaigua finished tied with Mynderse and Penn Yan, 7-1-0 in WFL JV standings, but won the season-end Geneva tournament with three individual champions. Steve Connelly, 12-1-1 at 106 lbs., Jim Hartwell, 12-3 at 123 lbs., and Karl Albrecht, 8-3-1 at 157 lbs. were standouts for the '68-'69 JV Braves.

Under the excellent coaching of Mr. Chuck Miller, the 1969 Varsity Braves posted the best season record compiled by a CA team in seven years. Seniors Don Bauch, Paul Nice and Len Joy led the team to an 8-10 overall record which included three losses decided by two points or less. Fine teamwork and general hustle were the keynotes to a balanced attack for the Braves who fought in a tough Class A division. Although CA will be losing five seniors this year, the future looks bright for the Braves with Junior sharpshooters Lew Gilbert, Tom Northrup and Bill Smith showing some great talent this season.

This year's J.V. Team directed by Mr. Bridgman showed vast improvement over their record as Freshmen. They finished with a 5-13 record while losing several close ones, including an overtime loss. This team will aid the Varsity greatly next year and should develop into a fine team by their Senior year.

FROSH BASKETBALL

The Freshmen basketball team, under the able leadership of Mr. Austin, had a successful, but very exasperating season, losing five games by two points or less. Their record could easily have been 13-5 instead of 8-10. This team will definitely form strong J.V. and Varsity teams in the future.

SWIMMERS

Facing their toughest opposition ever, the 1968-69 CA swimming team fought to gain a fine 7-7 overall record. The team showed great spirit while meeting some of the strongest Rochester schools. Once again the Mermen captured the Finger Lakes Championship with a 3-1 league record, including an exciting victory over Newark for the title. Three Seniors represented CA in the Class A Sectionals where they took a respectable eighth place. They were Rich Elliott in the diving, Leon Kransler in backstroke, and Scott McNealus in the 400 yard and 200 yard freestyle. Because of his outstanding performance, Scott qualified and swam in the State Championships in White Plains where he placed fifth.

TRACK

This year's track team enjoyed a highly successful season. They ended with an undefeated record in League Competition, and came in second in the Finger Lakes Meet. Big winners for C.A. were: dashman—Tom Rother, hurdler and triple jumper—Mike Welch, pole vaulter and high jumper—Rich Elliot, two-miler—Jim Boyle, and quarter-miler —Bob Mallory.

Coach Frantel is proud of this team, and he and C.A. track fans can look forward to even brighter prospects next year with only five men lost through graduation.

The C.A. Baseball Braves with Mr. Newkirk again at the helm started strong this year turning in a first half record of 6-2. They found the going rough in the second half, however, finishing with an overall record of 8-8. Outstanding for C.A. were seniors Bill Kane and Denny Cunningham, both turning in fine .400 batting averages, and Tom Turner, who pitched well for the Braves. Despite the loss of these men, many juniors and the addition of a well balanced J.V. team makes the baseball future of C.A. look bright.

The 1968 CA Tennis Team finished the season with a hard fought overall record of 6 wins and 3 losses. Under the coaching of Mr. Miller, the team succeeded with well earned victories while losing a few tough ones. Representing CA and the team at the Finger Lakes Championships were Senior Dave Herendeen in the singles and Juniors Pete Morris and Ron Hazlett in the Doubles. The C.A. Golf team finished in fine shape for the 1968 season. Their 8-4 record was good for 3rd place in a rough and tumble league.

Medalists for the year were Kevin Ryan with a 36, Griff Vitalone and Marty Muehe with 38's, and Jim Miller and Bob Ferguson with 39's.

With the loss of but one senior from this year's team, Coach Snyder can look forward to an even more successful season next year.

STUDENT COUNCIL

Led by George Kimble and advised by Mr. Thomas Higgins the 1968-69 Student Council re-established its ability to initiate new ideas and encourage more student support. It began an active year when it sponsored, for the second year, the "Fall Spirit Week." A wide variety of activities were held to build school spirit for the week-end which was highlighted by the crowning of the Senior Queen, Gigi Gesite, C.A.'s A.F.S. student, a football victory over East Rochester, and a victory dance.

Throughout the football, basketball, and wrestling seasons, Student Council contributed to the renting of spectator buses to enable more students to support the Braves at "away" games.

Due to better organization Student Council approached its original purpose, that of representing the students and working with them to better the school atmosphere.

NATIONAL HONOR SOCIETY

Charity, service, scholarship, and leadership are the four qualities considered by the faculty when it chooses new members for National Honor Society. Twice during the year members were added and they participated in at least one of the projects the Society sponsored. Along with the tutoring program for students needing extra instruction in certain courses, N.H.S. also provided ushers for cultural events, encouraged eighteen year olds to donate to the Blood Bank, and set up Senior Teacher Day. For the first time, George Kimble was sent as a representative to a leadership conference in Ohio.

SCHOLASTIC ACHIEVEMENT CLUB

Members of C.A.'s Scholastic Achievement Club were chosen according to their Scholastic improvement and achievement during the past year. At the tenth P.T.A. Banquet, sponsored by the P.T.A., Board of Education, and the Rotary and Kiwanis Clubs, each student was awarded a pin and certificate, recognizing his accomplishment. An increased number of students participated this year, which suggests that a greater emphasis is now being placed on scholastic studies.

AMERICAN FIELD SERVICE

President—R. Wilbur, Vice-President—T. Frantel, Treasurer—K. McGraw, Secretary—J. Dolan, AFS Returnee—J. Oestreich, Foreign Exchange Student from the Philippines—Hygeia Gesite.

It seems as if I just arrived here not too long ago. I can not believe that the time has passed by so rapidly. I am enjoying my stay and all I know is there are only a few more weeks of my AFS year in CA left. It has been such a wonderful year that I don't want it to end.

When school started, I was afraid that as a foreigner I might only be an observer instead of a participant. However, I have enjoyed my courses very much and also the extra curricular activities, especially AFS, Color Guard, and Spanish Club. The closeness of the teacher-student relationship surprised me. How freely they discuss things in class! The greatest thing is the friendship everyone extended to me.

Among my souvenirs I will take back home a bundle of experiences and happy memories of my stay in Canandaigua, U.S.A.

What had been a dream became a reality and will last me all my life . . .

Gigi Gesite

Through the American Field Service I have discovered a second home. As part of the Americans Abroad Summer Program 1968, I was sent to Algard, Norway. My family, the Soylands, greeted me with open arms and lots of Norwegian dialect. In a very short time I felt very "Norsk", and my seven weeks at Soyland, as we called our home, passed much too quickly. To describe my summer in a few words is impossible, but I especially remember the firm handshakes and warm smiles, the thousands of lakes and mountains, the knitting, all the whip cream cakes, my father's great sense of humor, and his kind nature. I could talk for hours about my family, in fact, about my whole summer. I loved it!

To Sally Carpenter and Karen Canfield, this year's semi-finalists, I wish good luck. AFS is great—a total experience with people. It offers not only a chance for thousands of young people to travel, but also, in a broader sense, a chance for greater understanding among nations . . .

Janet Ostreich

CERCLE FRANCAIS

Imagine yourself sitting at a sidewalk cafe in Paris with the gentle music of an accordion weaving in and out of tiny shops and the sweet scent of French pastries filling the air. This atmosphere was captured by Cercle Francais inside the walls of CA's cafeteria during the Cafe de Paris in February. An annual event, the Cafe admitted to French Club additional members who expressed an interest in the French language, people, and culture. Through the initiation, films, discussions and trips, French Club has furthered the interest in the country of France among French students.

DEUTCHE STUDENTEU VEREIN

Part of the enjoyment of learning a foreign language is also studying that country's customs and people. German students' interests in the land of the Rhine were furthered in the German Club. There, the activities varied from dressing in traditional Deutch Leiderhosen for initiation, to a novel "eat-out" at a German Restaurant.

LOS BORRACHOS

An initiation of thirty new members in November insured a large participation in the activities of Los Borrachos. Under the watchful eye of Mr. M. Bridgman, the Spanish Club enjoyed fiestas, filmstrips, and a variety of typically "Espanol" events. The Club completed the year with the traditional Chile dinner held in the spring.

RECENTES ROMANI

"Cum grano salis," that is, "with a grain of salt" is certainly no attitude to take when scrutinizing the efforts of the Latin Club. These "Recent Romans" began the year with initiation of new members which included an extension to first year students. From there, they soared to greater heights by sending delegates to the State Convention in Bath, and the National Junior Classical League Convention in Louisiana. "Alea iacta est," a quotation from Caesar, "The die is cast," is definitely the right attitude to have after examining the accomplishments of this progressive group.

ART CLUB

Art Club has provided an opportunity outside regular classroom time for students to develop and express their creativity. Originality, was encouraged through individual, instead of group projects. Constructive criticism from the advisor, Mr. William Hill, helped the creator be objective. Along with regular projects, Art Club also made posters for school activities at the request of a club or class.

F.T.A.

For those interested in some day being on the other side of the desk, Future Teachers of America gives its members a chance for some first-hand experience. One day was spent in an actual classroom situation aiding teachers in the Elementary and Primary schools. A trip to Geneseo provided a chance to meet and talk with students majoring in education. With this encouragement, it is hoped more students will continue on to fill the increasing demand for educators.

KEY CLUB

Under the supervision of both Kiwanis Club and the school the Key Club is a service organization for the community. Two of their service projects included assisting at the Kiwanis Club's spaghetti dinner on Election Day and the drive for muscular dystrophy. One of the year's money raising activities was running WCGR for a day.

HEALTH CAREERS CLUB

The patients of F. F. Thompson Memorial Hospital, and the Veterans Hospital were in good hands with the help of the Health Careers Club. The girls working at Thompson Hospital, were called Candy Stripers. Other girls worked with the Red Cross. From working with patients, and listening to their advisor, Mrs. Smith, the girls learned more about nursing and related fields of health.

CANNON

"For only five cents read all the latest news!" This cry was heard bi-weekly as the CANNON, the school newspaper, was issued for sale. Reports of major school activities and the successes and failures of the Braves were the main articles. Also included in its pages were the Academy Awards, the Teacher of the Week, class and club news, and poems. One of the highlights of the CANNON was the editorials—scolding, encouraging, or commending the student body. Yes, read all the news that the CANNON staff has worked so hard to edit, rewrite, and finally print for CA during '68-'69.

STUDENT STORE

The Canandaigua Chapter of the Distributive Education Club of America worked during the year to increase its members' knowledge of business management. The Club participated in state and area contests, a Junior Manager program with downtown stores, and sponsored the Powder Puff Bowl. The Student store, a great help to both students and teachers, was also under the management of D.E.C.A. The group concluded the year with its annual Employer-Employee banquet.

F.B.L.A.

The development of able business leaders and the promotion of high standards and goals of the businessman in the world today are the main objectives of F.B.L.A. During the year, the Future Business Leaders of America assisted various school functions by doing needed typing. They were also contenders in the area typing contest held in the spring.

AUDIO-VISUAL CLUB

Walking down the hall, you may have been met by a cart carrying a movie projector or record player. The cart is being pushed by an Audio-Visual Club member. These members also set up the equipment desired by the teachers. This busy group, advised by Mr. Bowen, is very helpful in aiding teachers at C.A.

DRAMA CLUB

Here's your cue to join an active club designed to give its members experience in all areas of play production. Under the guidance of Mr. Shep Sobel, who hopes to "bring theatre to Canandaigua Academy", the Drama Club has achieved much. With the Club's premier, "Antigone", a modern version of a Greek tale, the enthusiasm and hard work that was put forth made the performance a great success, and provided incentive for success in later performances.

LIBAS CLUB

Members of the Libas Club aid others while learning library skills themselves. In addition to filing, checking out, and looking for books, magazines, and filmstrips, club members assist other students in finding needed information. Mrs. Vicki Campbell, first year librarian at CA, guided this helpful group.

DEBATE CLUB

Defending "to the letter" their prospective issues, members of CA's Debate Club come on strong in putting across their ideas. With Mr. Tom Higgins as acting referee, the members gain experience in public speaking, research and preparedness. Although small in number, this determined group shows much energy and spirit throughout the year.

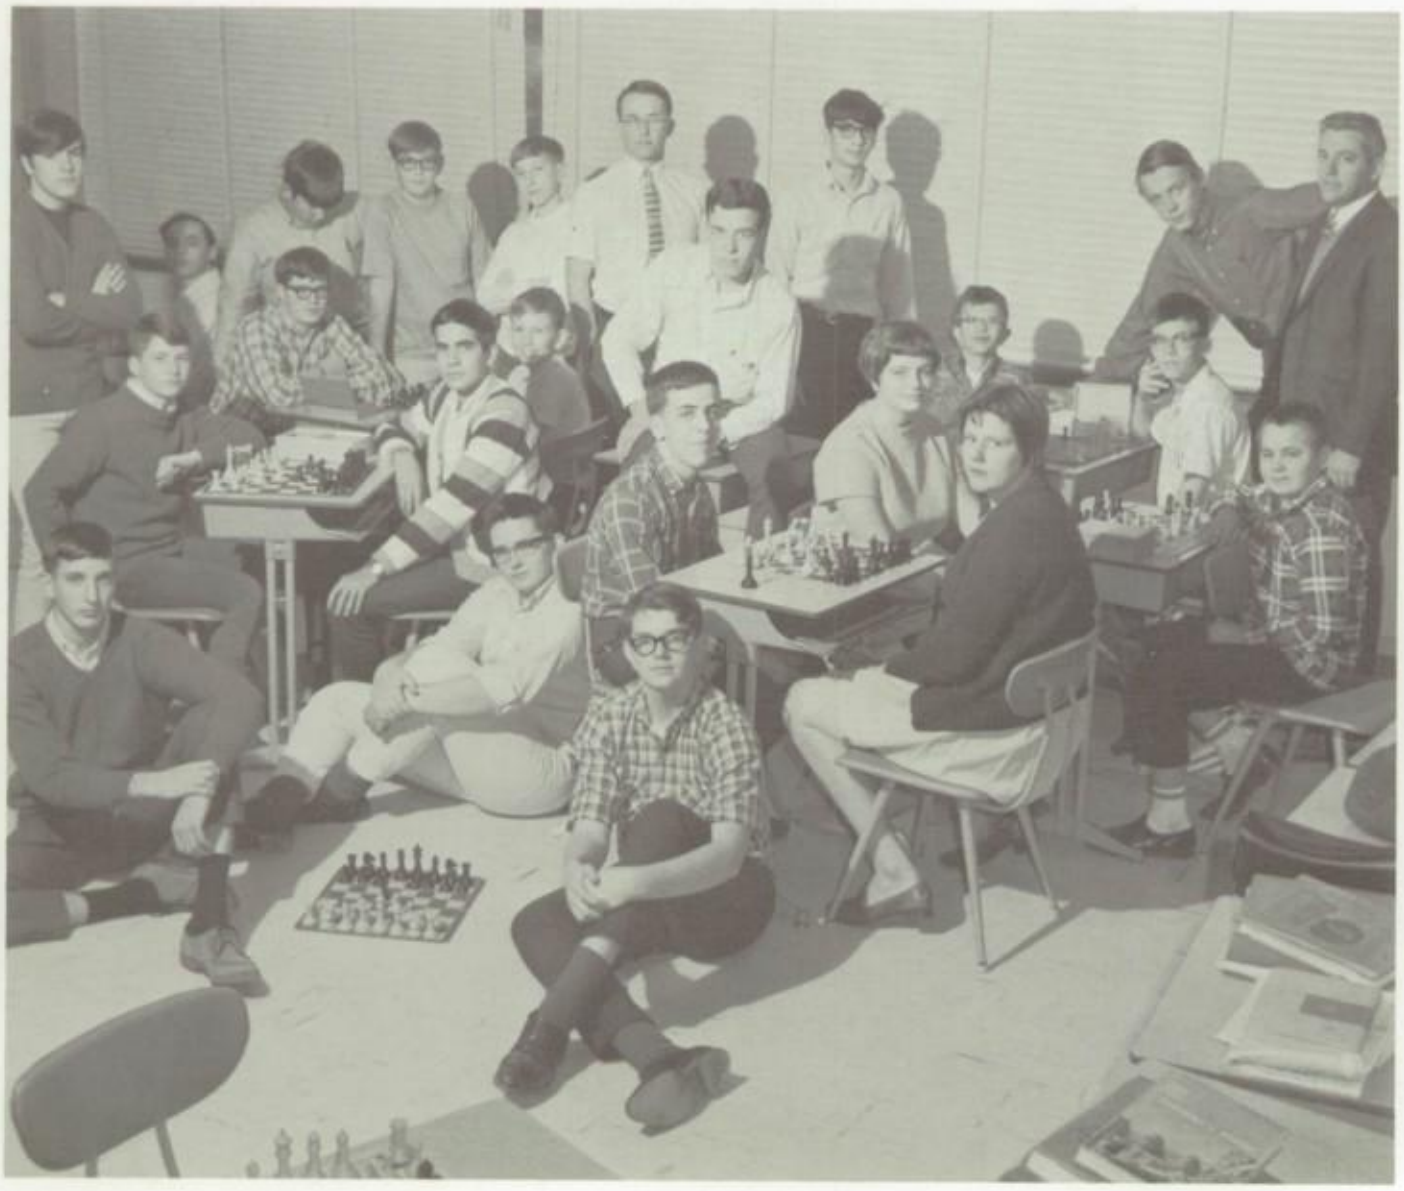
Front Row: A. Latz, N. Nenni, C. Alikes, S. Powers. 2nd Row: B. McNeal, J. Geise, T. Andrews, G. Benjamin, B. Stanley, Mr. Littrell. 3rd Row: K. Penner, T. Andrews, M. Atwater.

PASTICHE

Pastiche is creativity—
Pastiche is an expression of one's self—
Pastiche is critical or agreeable—
Pastiche is you!

For all our sakes! Pastiche!
Paul W Littrell

Pastiche is the literary magazine produced by Academy students. It had its origin two years ago, and since then has been an inspiration to beginning writers. Through this bi-annual publication, Mr. Paul Littrell and the staff, have tried to instill a greater interest in literature in all CA students.



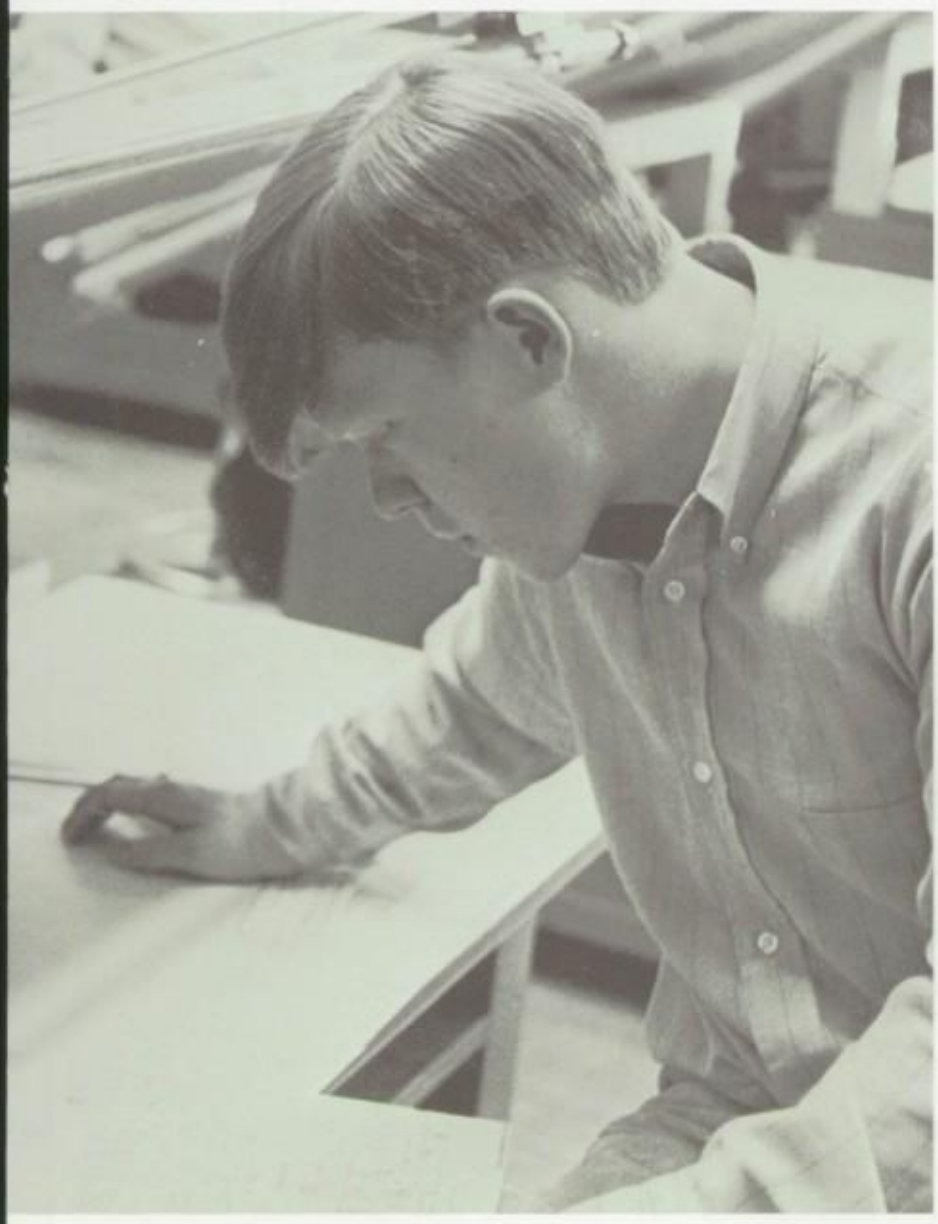
CHESS CLUB

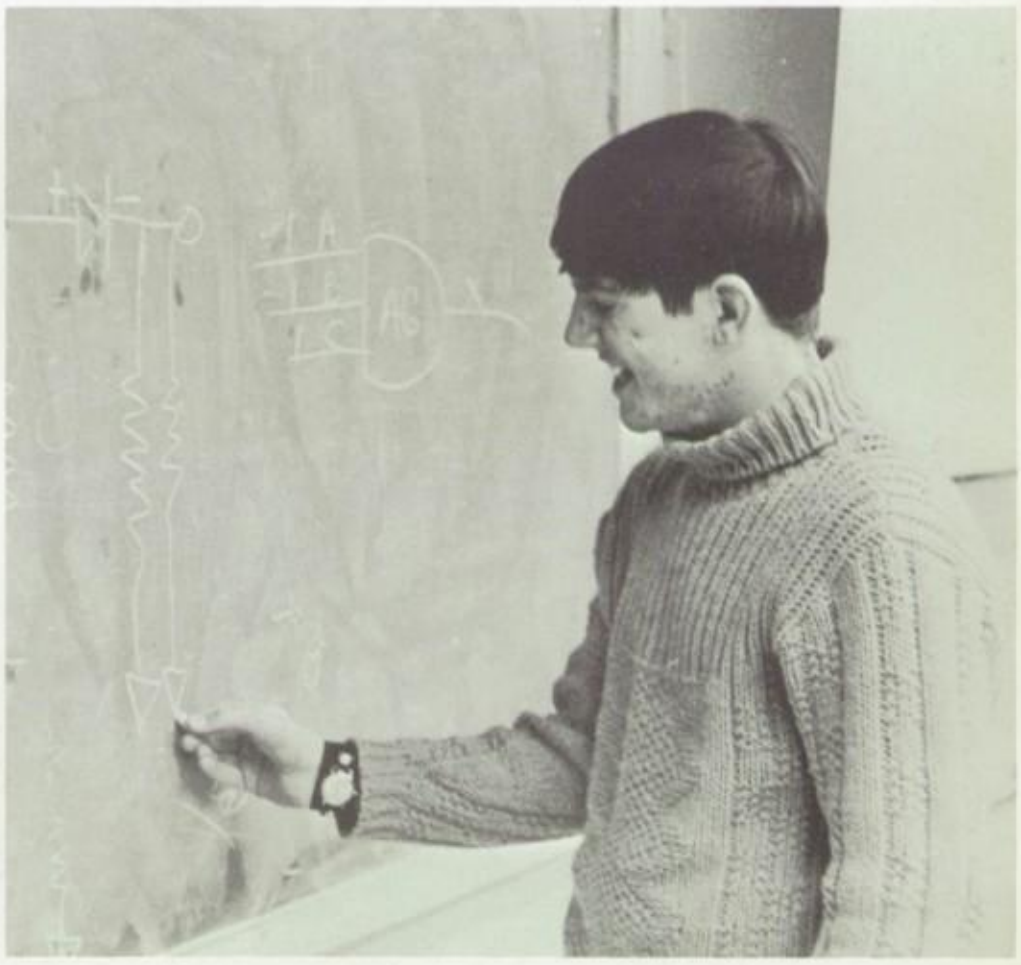
Kings, queens, knights, and pawns are some of the players in the world of chess. The intricacies of this difficult game are learned by Chess Club members through experience under the guidance of Mr. Bradley Stanton. Daily, during activity periods, they hold team tournaments and matches with the faculty. The Chess Club competes in regional and state competition.

FINGER LAKES OCCUPATIONAL SCHOOL

Every day at 8:15 in the morning and again at 11:45 a bus load of juniors and seniors leaves the Academy for two hours of courses in either the morning or afternoon session at the Finger Lakes Occupational School, in Geneva. In this program run by the Bureau of Cooperative Educational Services (BOCES), courses such as Practical Nursing, Drafting, Electronics and Cosmetology are offered. These courses span two years time and are worth two credits each year. After completion of such a course the participating student is prepared to enter immediately into a job.

This year a bond issue was passed which will provide money for a new building and expanded course opportunities in the following years.





INTRAMURALS

Intramurals are, in some ways, sports at their finest because students participate solely for the sake of the sport. After school groups of students, under the watchful eyes of Mr. Frantel and Mrs. Miller, engage in enthusiastic competition in anything from apparatus to soccer. In this program students are encouraged to develop their skills beyond those acquired in gym class.

SKI CLUB

"Trois . . . deux . . . un . . . zero" whispers the courageous and determined Olympic gold medalist, Jean Claude Killy, as he hurls himself down a steep snowy slope. Sometimes referred to as "the next Best thing to flying", skiing has become an exciting sport for many CA students.

Ski Club Members set up headquarters at Ski Valley for the winter. Transportation difficulties were overcome when Mr. Donald Johnson, advisor, arranged for charter busses.

Many members participated in the March Ski Carnival at Ski Valley, and several placed first in the day's events.

We had a lot
of fun in the

See you next year, camp and

MARCHING BAND

The whistle blew and the band marched in intricate patterns across the football field. The colorful flags waved and the metal of the instruments reflected the bright rays of the sun. The band was led by the Canandaigua Braves own Indian Chief, Peter Morris. Hats off to the splendid work of the marching band!

REPERTOIRE BAND

The Repertoire Band provides the source from which Mr. Bullock draws the talent for the Concert band. This year this band accompanied the Concert band in the half-time shows and the pageants in the spring. They also held a concert in March to the delight of the primary school students.

Donna —
You've had a good
year here at the
academy — Keep up
the good work

CONCERT BAND

DANCE BAND

ALL-STATE

The conductor, Mr. Jack Bullock, stepped up on the podium, raised his arms, gave the down beat, and the music began. From Sousa marches, through Broadway hits, to classical music, the C.A. Concert Band delighted the audiences at their many and well-attended appearances. Such concerts were not just a representation of the group's talent but also of a year of hard work and great fun. Reward for accomplishment went to Bill Decker, who represented Canandaigua at All-Eastern in Washington, D.C.

ALL-CONFERENCE

ALL-COUNTY

ALL-COUNTY

Take the select voices of 106 students, blend them together into perfect harmony, add the ability of a fine director, and you have Canandaigua Academy's Varsity Chorus. Not only did this group perform numerous concerts at the school, but the chorus also conducted an Exchange Concert with Pittsford and participated in the Alfred University Choral Festival.

The conductor, Mr. David Riley, was also proud to have one of his singers, alto Jo Ellyn Berky attend the New York All-State Chorus and the All-Eastern Chorus in Washington, D.C.

JUNIOR VARSITY CHORUS

This year's freshmen class had its own chorus. Mr. Riley, their director, carefully chose suitable music for the changing voices of his young maestros. The chorus performed at Christmas time and in the spring. Members who train and participate with this group have a good chance of becoming future Varsity Chorus members.

CONCERT CHORUS

Being an all girl chorus, the Concert Chorus lent a unique sound to the total choral department. In future years Mr. Riley hopes this group will become a mixed chorus. During the year this chorus presented several concerts and participated in the state contest.
